

Map delineates recreational sites and protected natural lands in urban Broward County. Several natural lands are within the boundaries of recreational sites.

Primary sources for the production of this map come from Broward County Geographic Information Systems published datasets, Broward County Wetlands Section, Broward County Parks and Recreation Division, Broward County Municipalities, County Records and Property Appraiser's websites and Broward County Natural Resources Planning and Management Division.

Disclaimer: This map was created by Broward County Land Stewardship Section for informational purposes and NOT for legal, engineering or surveying purposes. For additional information please contact the Land Stewardship Section at 954-519-1436, or visit <http://gis.broward.org/> Revised: November 2010.
